## WHO I AM

Hi, I'm Oualid and I'm a formerly "skinny-fat" engineer turned online fitness coach, author and blogger. Only two years ago, I was completely out of shape and suffered from daily anxiety attacks.

My life turned around when I came up with my **Metabolic Amplification System** and discovered a way to burn fat and get lean so effortless, I felt obligated to share my secret with the world.

Today, mainly via this program, I help guys around the world get lean and ripped without any excessive cardio regimen or restrictive diet...while they keep the main thing (LIFE) the main thing.

Like I said, my mission is to put Metabolic Amplification System in the hands of **25 000 action takers by year 2020**, and I need YOUR help to accomplish this mission.

### THE PRICE: \$14

### THE TARGET MARKET:

Fat and “skinny-fat”, english-speaking 20 to 40-year-old men looking to lose fat, get stronger and achieve a lean physique in a fun and permanent way, without obsessing about fitness or making too much sacrifices in their lifestyle. Designed for busy guys who are ready to put in the minimum effort required to get in great shape.

### THE USP:

Metabolic Amplification System is the only male-specific fat loss system that allows you to **get lean without sacrificing muscle mass, slaving on a treadmill or eating like a runway model.** All of it **while still enjoying your lifestyle** because it works WITH your metabolism and male hormonal makeup, not against them.

### THE HOOK:

How I went **from a 200 lbs. weak, skinny-fat engineer to a lean and strong 170 lbs. badass with shredded muscle in 12 short weeks**, without any restrictive diet, spending hours in the gym or slaving on a treadmill...
